1. The following is an examiner's statement of reasons for allowance:

The subject matter of the claims is allowable over the prior art of record because all prior arts fail to teach or suggest a method or an apparatus for achieving elimination of unfairness between ports, by inputting reserved output port information transferred between respective modules to switch out of the module to vary destination of output, providing the module and the switch operate in synchronism with the frame for which the connection grant process of a plurality of time slots is performed to vary connection topology such that all connection topology appear.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alpus H. Hsu whose telephone number is (571)272-3146. The examiner can normally be reached on M-F (5:30-3:00) First Friday Off.
